INDEX TO 1938 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 6

General Index

A

Accident Prevention
See also Subcommittee on Health
"A Formula as an Aid in Vehicle Accident Prevention Endeavors," by Walter G. Chandler, 95
"Look at the Safety Record," by Col. John Stilwell, 399

Accident Prevention Committee
Chicago Meeting, 179, 221
Old Point Comfort Meeting, 422, 459
Personnel 1938-1939, 355
Series of articles on medical service in industry, 13, 37, 75, 175, 228

Accounting and Office Methods
Accounting Activities During E.E.I. Convention, 252
"An Accountant Is Perplexed," by Francis J. Brett, 533
"Causes of Property Retirements," by H. C. Davidson, 519
"Depreciation Principles," by H. L. Gruehn, 521
"Further Comments on Depreciation," by Maurice Scharff and L. R. Nash, 531
"Materials and Supplies Accounting System of the Detroit Edison Company," by A. J. Provencher, 56
"Plant Inventories," by J. H. Lobban, 25
"Present Views of Authority on Depreciation," by H. C. Hasbrouck, 523
"Preservation and Destruction of Records," by Emil Ulbricht, 27
"Problems in Uniform Utility Accounting," by Charles W. Smith, 515
"Some Engineering Factors Affecting Obsolescence," by D. M. Jones, 527
"The 1938 Depreciation Problem," by C. E. Kohlhepp, 517
"Value of a Customer History Record," by K. E. Doyle, 29

Accounting Conference. *See* Second National Accounting Conference

"Advantages of Electric Cookery for Domestic Purposes," by R. A. Gibson, 443

Agriculture
See Rural Electrification

Air Conditioning Committee
Personnel 1938-1939, 548

American Gas Association
See Second National Accounting Conference

American Research Committee on Grounding
Progress Report, 311

"American Street and Highway Lighting Practice," by L. A. S. Wood, 487

"An Accountant Is Perplexed," by Francis J. Brett, 533

Appliances, domestic sale in 1937, 46

Arkansas Utilities Association Convention, 247

Awards. *See* Prizes and Prize Papers

B

Battelle Memorial Institute, 147

Better Light-Better Sight Bureau
"Five Years' Progress of the Better Light-Better Sight Movement," 235
Merchandising Home Lighting Equipment, 368
"Oh, Say, Can You See?" by Dr. H. E. Pine, 121
"Our Goal From Here," by Merrill E. Skinner, 233
"Sight Saving: A Cooperative Program," by Winifred Hathaway, 123

"Bondholder's Interest in the Equity," by C. W. Kellogg, 229

"Building for the Future in Residential Sales," by Davis M. DeBard, 281

"Business Woman-Homemaker Looks at the Electric Range," by Clara Zillessen, 325

". . . But the Most Important of These Is Men," by Adam S. Bennion, 111

Byllesby, H. M., Award. *See* Prizes and Prize Papers

C

Cables
"Characteristics and Sag and Tension Calculations of Aluminum Cable Steel Reinforced," by H. H. Rodee, 91

Canadian Electrical Association Convention, 351

"Capitalism Without Capital," by Dr. W. W. Cumberland, 301

"Causes of Property Retirements," by H. C. Davidson, 519

Central Hudson Gas and Electric Corporation
Booklet on hurricane, 425

"Central Station Voltages for Lighting," by G. S. Merrill, 423, 441

"Challenge to American Business Leadership," by Dr. Virgil Jordan, 295

"Characteristics and Sag and Tension Calculations of Aluminum Cable Steel Reinforced," by H. H. Rodee, 91

"Chemurgic Challenge," by Wheeler McMillen, 145

Cincinnati Gas and Electric Company Wins Charles A. Coffin Award, 258

Classification of Accounts Committee
Personnel 1938-1939, 355

Classified Index of Technical Information on Inductive and Structural Coordination, 17

Coffin, Charles A., Award. *See* Prizes and Prize Papers

"Comments on the TVA's Report on Allocation of Investment of Norris, Wheeler and Wilson Dams," by H. S. Bennion, 469

Commercial Electric Cooking Council
"Electric Cooking Goes to Town," by Harry Restofski, 171
"Value and Characteristics of Electric Cooking Loads," by R. R. Herrmann, 131

"Commercial News Notes," by C. E. Greenwood, 323

Committees. *See* Specific Committee

Committees, Personnel 1938-1939, 355, 548

"Considerations Involved in Making System Investments for Improved Service Reliability," by S. M. Dean, 491

"Considerations Involved in the Operation of Domestic Heating Devices Operated Above and Below Design Voltage," by William F. Ogden, 197

Consolidated Edison Co. of New York, Inc.
Edison's Bargain Package, 439
World's Fair Building, 85, 243

Consumers Power Company's rural electrification activities, 481

Controllers Institute of America Conference, 103

Conventions. *See* Specific Convention *also* Edison Electric Institute Convention

"Coordination of Electric Power and Transmission Facilities in Wisconsin," by L. F. Seybold, 215

"Cost of Plant," by A. H. Kehoe, 287

Couch, Harvey, Paid Tribute by Newspaper, 315

Creosoted poles, use by utility companies, 47

"Customers and Service," by W. H. Harrison, 291

Customers' Relations, Commercial Accounting and Collections Committee Personnel 1938-1939, 355

D

Dealer Coordination Committee
Personnel 1938-1939, 548

"Deflecting the Curve of Rising Accounting Costs," by B. S. Rodey, Jr., 276

Depreciation Committee
Personnel 1938-1939, 356

"Depreciation Principles," by H. L. Gruehn, 521

"Depreciation Problem," by C. E. Kohlhepp, 517

"Developing Increased Use of Electricity Among Rural Customers," by D. E. Karn, 142

"Distribution System, a New Semi-Underground System for Evansville, Ind.," by E. V. Sayles, 212

"Does the Industrial Power Plant Pay?" by Page E. Golsan, Jr., 321

Domestic electric appliances in 1937, 46

Domestic heating devices, operation, 197

Domestic sales—average rates, use and revenue since 1913, 245
"Do Sales Mean Jobs?" by C. E. Greenwood, 439
"Do Your Executives Know?" by Davis M. DeBard, 107

E

"Economic Design of Overhead Primaries," by Paul H. Jeynes, 207
Edison Electric Institute
Committee Personnel, 1938-1939, 355, 548
Officers, 1938-1939, 249
"The E.E.I. and Its Activities Relative to the TVA," 541
Edison Electric Institute Convention
Accounting Activities During Convention, 252
Atlantic City Again, 73
General Information, 185, 249
Hotel Rates, 181
President's Address, 253
Resolution, 263
Edison Electric Institute Medal
Awards, 51
Edison Memorial Tower, dedication ceremonies, 12, 101
"Effects of Voltage Variations on Motor Characteristics," by A. C. Monteith, 196
Electric Company Taxes Increase by Nearly $50,000,000 During 1937, 2
Electric Cookery
See Commercial Electric Cooking Council
Electric Cooking Committee
Personnel 1938-1939, 548
"Electric Cooking Goes to Town," by Harry Restofski, 171
"Electric Fixed Capital Accounting by Units of Property," by A. C. Herron, 335
"Electric Light and Power Industry in 1937," by C. W. Kellogg, 1
Electric Range Design Requirements, 380
Electric Refrigeration Committee
Personnel 1938-1939, 548
Electric Refrigerator Sales, 30, 60, 103, 329
Electric Service and Lighting Arrangements for the Golden Gate Exposition, 446
"Electric Utilities in the Depression Years," by C. W. Kellogg, 109
"Electric Utility Problems," by H. C. Thuerk, 317
Electric Water Heaters Joint Committee, 384
Electric Water Heating Committee
Personnel 1938-1939, 549
Electric Water Systems Council
Plans for 1938, 17
"Running Water—The Family Deserves It," by H. E. Dexter, 129
Electrical Equipment Committee
Analysis of replies from foreign correspondents on use gas pressure relays, 82
Chicago meeting, 179, 220
Cincinnati meeting, 32, 67
Old Point Comfort meeting, 422, 460
Personnel 1938-1939, 356
Electrical Equipment and Transmission and Distribution Committee Joint Meeting, 462
"Electricity in the Economic Picture," by C. W. Kellogg, 313
Electricity's Place in the Golden Gate International Exposition, 241
Empire State Gas and Electric Association
Lake Placid Convention, 420
"Engineering and Capital," by C. W. Kellogg, 537
Engineering Committee Meetings
"Fourth General Meeting," by Alexander Maxwell, 191
Program, 179
"Expanding Horizons of Man Made Lighting," by Samuel G. Hibben, 395
"Experiences in Diesel Power Station Operation," by John M. Drabelle, 374

F

Farm Electrification. *See* Rural Electrification
"Federal and State Regulations, and Management Attitudes," by E. W. Morehouse, 512
Films
"Customer Relations," 246
"Light on Power," 71
"Five Years' Progress of the Better Light-Better Sight Movement," 235
"Forget the Hole—Let's Tackle the Rim," by C. E. Greenwood, 19
"Formula as an Aid in Vehicle Accident Prevention Endeavors," by Walter G. Chandler, 95
"Fourteen Years in the Electric Light and Power Business," by C. J. Strike, 156
"Fourth General Engineering Meeting," by Alexander Maxwell, 191
"Further Comments on Depreciation," by Maurice Scharff and L. R. Nash, 531
"Future of the Utilities," by Thomas N. McCarter, 189

G

"Gas Pressure Relays," by R. A. Hentz, 82
"Gathering and Evaluation of Data for Improving 4 KV. Distribution System Operation," by Harold E. Deardorff, 331
General Accounting Committee
Personnel 1938-1939, 355
General Sales Committee
See also Sales Committee
Personnel 1938-1939, 548
"Generator Insulation Tests," by B. VanNess, Jr., 204
"Going Forward with Coordinated Promotion," by C. E. Greenwood, 43
Golden Gate International Exposition
Electricity's place in, 241
Lighting arrangements, 446
"Ground Line Treatment of Standing Poles," by F. W. Packer, 499
"Growth?," by Harry A. Snow, 271

H

Health Subcommittee, 13, 37, 75, 175, 228
"Highlights of Commercial Committee Activity for 1939," by C. E. Greenwood, 545
Highway and street lighting, 487
Home Lighting Equipment Sales Committee
Personnel 1938-1939, 549
Home Lighting Promotion, 394
"Home Power Plants," by C. W. Kellogg, 35
"How a Medical Service Can Aid Industry," by Dr. Hart E. Fisher, 13
"How Can Government and Business Work Together?" by Wendell L. Willkie, 5
Hurricane of September 21st, 1938
Central Hudson Gas and Electric Corp., 425
Hydraulic Power Committee
Chicago Meeting, 180, 225
Personnel 1938-1939, 357

I

"Impedance of Three Phase Secondary Mains in Non-Metallic and Iron Conduits," by L. Brieger, 61
Incandescent lamps, notes on effect of varying voltage, 199
Inductive Coordination Aspects of Shunt Capacitor Installations, 382
Industrial Power and Heating Committee
Personnel 1938-1939, 549
Insurance Committee
Personnel 1938-1939, 357
Inventories, plant, 25
"Is Electric Cookery Really Better?" by George E. Kelley, 430

J

Joint Committee on Electric Water Heaters
formation, 384
Joint Committee on Oil Circuit Breakers
changes in standard ratings, 84
Joint Committee on Plant Coordination
reports, 176
Joint Congressional Committee to Investigate the TVA
See also Tennessee Valley Authority
outline of testimony, 465
statement by Wendell L. Willkie, 468
"Joint National Accounting Conference," by B. S. Rodey, Jr., 505
Joint Range Committee, E.E.I.-N.E.M.A., 381
Joint Subcommittee on Research and Grounding
See also Publications
Classified Index, 17
New York Meeting, 31, 350
Judges Are Announced for 1938 Prize Awards, 79

L

Lamps, incandescent, notes on effect of varying voltage, 199
Lighting
See also Better Light-Better Sight Bureau
"Central Station Voltages for Lighting," by G. S. Merrill, 423, 441
"Expanding Horizons of Man-Made Lighting," by Samuel G. Hibben, 395
highway and street lighting, 487
home lighting promotion, 394
merchandising home lighting equipment, 368
"Lighting of Philadelphia Electric Company Properties," by Walter B. Morton, 411
Lighting Sales Committee
Personnel 1938-1939, 549
Limiting Value of Capacitors When Used as Radio Filter on Portable Appliances, 421
Little, W. Paxton, Honored at Testimonial Dinner, 536
"Look at the Safety Record," by Col. John Stilwell, 399

M

"Manufacturer's Present Findings on the Modern Kitchen Bureau," by C. E. Swartzbaugh, 137
"Many Frontiers Remain for the Utility Engineer," by C. W. Kellogg, 193
"Market Research and Dealer Sales Promotion," by R. E. Fisher, 119
Martin, Thomas W. Award
See Prizes and Prize Papers
Maryland Utilities Association Meeting, 244
"Materials and Supplies Accounting System of the Detroit Edison Company," by A. J. Provencher, 56
McGraw, James H., Award
See Prizes and Prize Papers
"Measures for Relief of Physical Illness," by Dr. Noel G. Monroe, 175
"Measures for the Maintenance of Good Physical Health," by Dr. J. J. Wittmer, 75
Medical Service in Industry, series of articles, 13, 37, 75, 175, 228
Meetings and Conventions
See Specific Meeting or Convention
Membership Committee
Personnel 1938-1939, 357
"Minimum Standards for Medicine in Industry," by Dr. J. J. Wittmer and Dr. Hart E. Fisher, 228
Missouri Association of Public Utilities
St. Louis Meeting, 101, 244
"Mobilization Is the Thing—Mobilization for Sales," by C. E. Greenwood, 401
Modern Kitchen Bureau
Contest, 275
Discovery Month Promotes Sales, 426
Executive Comittee Considers Plans, 299
Manufacturer's Present Findings, 137
Preliminary Plans for 1939, 503
Water Heater Papers Available, 379

N

"National Adequate Wiring Program," by W. E. Sprackling, 126
National Engineering Conference
Program, 179
"Fourth General Meeting," by Alexander Maxwell, 191
National Housing Act, utility cooperation, 45
National Sales Conference
Attendance, 105
Program, 100
Nela Park 25th Anniversary, 150
"Network Supply When Intermeshed from Both Generating Stations and Substations," by T. Maxwell, 447
"New Fluorescent Lamps," by Ward Harrison, 300
"New Semi-Underground System for Benton Harbor, Mich.," by Robert E. Morse, 449
"New Technique in the Maintenance of Oil Circuit Breakers," by S. Goldsmith and R. M. Seitz, 362
New York World's Fair
Consolidated Edison Company's Exhibit, 85, 243, 454
"No Industry Is Completely Electrified," by A. D. McLay, 167
"Notes on Advertising and Other Aids to Utility Industrial Sales," by J. H. Coates, 377
"Notes on Effect of Varying Voltage on Incandescent Lamps," by A. K. MacNaughton, 199

O

Obituaries
Harry C. Abell, 520
C. M. Brewer, 102
Alfred W. Dater, 102
"Oh, Say, Can You See?" by Dr. H. E. Pine, 121

Overhead primaries, economic design, 207

P

"Package Diesel Units and Their Future," by R. K. Evans, 151
"Past Accomplishments Should Be Given Consideration in the Selection of Prime Movers for Pipe Line Stations," by W. H. Stueve, 371
Pennsylvania Electric Association
Bedford Springs Convention, 419
Personnel of E.E.I. Committees, 1938-1939, 355, 548
Plant Accounting and Records Committee
Personnel 1938-1939, 356
Plant Coordination Committee releases report, 176
"Plant Inventories," by J. H. Lobban, 25
Poles, creosoted, use by utility companies, 47
Poles, ground line treatment, 499
"Power Sales and Profits," by W. H. Sammis, 264
Power Sales Conference Program, 100
"Present Views of Authority on Depreciation," by H. C. Hasbrouck, 523
"Preservation and Destruction of Records," by Emil Ulbricht, 27
Prime Movers Committee
Ann Arbor Meeting, 463
Chicago Meeting, 180, 224
Cincinnati Meeting, 67
New York Meeting, 540
Personnel 1938-1939, 357
Prize Awards Committee
Personnel 1938-1939, 358
Prizes and Prize Papers—1938
H. M. Byllesby Prizes
first prize paper, 335
second prize paper, 359
third prize paper, 367
Charles A. Coffin Award
Won by Cincinnati Gas and Electric Co., 258
Company Awards for Distinguished Accomplishments, 259
Augustus D. Curtis Award, 259
Edison Electric Institute Medal Awards, 51
B. C. Forbes Prize
winning paper, 327
George A. Hughes Award, 259
Judges Appointed for 1938, 79
A. L. Lindemann Prizes
first prize paper, 325
second prize paper, 430
third prize paper, 443
R. B. Marshall Award, 50
Thomas W. Martin Plaque, 259
abstract of winning report, 481
Claude L. Matthews Award, 183
James H. McGraw Prizes
first prize paper, 331
second prize paper, 362
third prize paper, 403
National Electric Water Heating Council, 219, 259
Winners of 1938 Individual Awards, 261
"Problem Employee," by Dr. Morris S. Viteles, 37
"Problems and Suggested Solutions Relating to the Electric Plant Acquisition Adjustment Account," by C. A. McKenna, 359
"Problems in Uniform Utility Accounting," by Charles W. Smith, 515
"Prudent Investment Principle," by John T. Madden, 8
"Public Relations in the Electric Light and Power Industry from the Inside Out," by Edmond A. Casey, 327

Public Utility Advertising Association
Detroit Meeting, 351
Public Utility Fleet Operators
Cleveland Meeting, 101
"Public Utility Man's Job," by Ernest R. Acker, 425
"Public Utility Publicity, A Few Words On," by Howard F. Weeks, 369
Publications
E.E.I. Statistical Bulletin No. 5, 232
Joint Subcommittee on Research and Grounding, classified index, 17
Pulliam, J. P., Honored at Testimonial Dinner, 453
"Purchased Electric Power for Oil Refining," by K. K. Kreamer, 21
Purchasing, Stores and Transportation Committee
Personnel 1938-1939, 356

R

Radio
Limiting value of capacitors when used as radio filters on portable appliances, 421
"Radio Dispatching of Trouble Crews," by John W. Drummond, 431
Radio frequencies available to public utilities for emergency work, 316
Rahn, Bruno, Elected President Wisconsin Utilities Association, 246
Range Design Requirements, 380
Rate Research Committee
Personnel 1938-1939, 358
Rates, domestic, since 1913, 245
Records, preservation and destruction, 27
Reddy Kilowatt
One hundred companies now using Reddy Kilowatt program, 31
Refrigeration loads, value and characteristics, 131
Refrigerator sales, 30, 60, 103, 329
Reviews
"Edison's Open Door," 463
